

2024 Family Camp Pricing

Trout's family camps are a one-of-a-kind vacation. Each morning features an adult chapel session and elective activities for both mom and dad, while children have exciting programs of their own. Afternoons bring the whole family together for family fun from the corral to the beach. Each evening, after family chapel, personal childcare is provided while parents take part in events created especially for them (July camp only). It's the kind of family vacation everyone will talk about for years to come.
