We get it. Life is busy and goes by quickly. The unending schedules, responsibilities, distractions and worries can be draining and monopolize your time. It's easy to lose track of what matters most. Sometimes all it takes to refocus your priorities and rejuvenate your spirit is a change of scenery.

Let's take a drive.

STEP OUTSIDE FOR THE WEEKEND

Grab some friends (or fly solo) and join us in the north woods at Trout Lake Camps—"a meeting place with God" since 1945. Step outside of the norm for a chance to dig deeper into your faith, connect with other guys and have a lot of fun. Breathe in the fresh air and see what God can do in just 40 hours. That scent in the air? Rest, renewal, rejuvenation (and grilled meat). More than a change of scenery, it's a change of spirit.

The weekend begins at 5pm on Friday evening. The first session starts at 9pm, so show up when you can. At check-in you'll receive an information packet including a schedule, list of recreation opportunities, seminar listings and church group locations.

HIGHLIGHTS

SPEAKER STEVE TREICHLER

In 1992, Steve went to Bethel Theological Seminary, where he received his M. Div. During that time, Steve came up with the dream of starting a new church near the University of Minnesota, called Hope Community Church. This came to reality in the fall of 1996, and the rest, as they say, is history. The Treichler's (wife, Carole, and three sons) enjoy fishing, camping, bowling, Trout Lake Camps, reading, playing games, Vikings, Twins, Timberwolves, and hanging out with their friends.

MUSIC BY MATT BERRY

Matt has served as a worship pastor in the Twin Cities for more than a decade. Prior to that, he toured the country for four years as a recording artist and member of the band, Clear. Matt and his wife, Heather, have four children and live in White Bear Lake.

SEMINARS*

There are four sessions with a speaker and worship, plus small group seminars on Saturday to dig into topics such as money, relationships, ministry at the work place and more.
