Address Service Requested

Picture yourself as one of 400 men gathering together in northern Minnesota at Trout Lake to worship, play and be renewed. That's what Men's Retreat is all about!

It's designed to provide a variety of experiences to a wide range of men. Participate as you like in many recreational activities including rifle and trap shooting, archery, mountain biking, horseback riding, golf, shuffleboard, floor hockey, human foosball, zipline, volleyball, basketball, softball, soccer, canoeing and boating.

Choose to spend time with men from your church, friends from around the state, or alone with God. There is a space for you to do what you need in this "Meeting Place with God."

The retreat begins at 5:00 pm on Friday evening. The first chapel session starts at 9:00 pm. At registration you will receive a retreat information packet including a retreat schedule, list of recreation opportunities, seminar listings and church group locations.

WORK PROJECTS

For decades men's retreat participants have played a critical role in facility development at Trout Lake Camps. Each year men who share the vision of what God does in campers' lives provide physical labor and major financial support to a specific building project. Your involvement is essential to the future of Trout and you are invited to participate in work projects throughout the year. To schedule a men's work weekend contact Mark Grindahl at 218.820.3463.
