Trout Lake Camps kitchen staff members are accustomed to serving campers with special diets and we do everything in our power to provide safe and tasty alternatives. Gluten/dairy free alternatives are always available to our campers on our alternative serving line during meals as well as vegetarian options. Our kitchens are free of peanut and tree nut products. We provide rice and soy milk in our dining room beverage stations. Campers can bring a few personal food items with them if it is necessary and store them in our guest cupboard or refrigerator located in easily accessible areas in the dining halls (labeled with name and dates). If you have any questions regarding special diet needs, please email [kmiller@TroutCamps.org](mailto:kmiller@TroutCamps.org).
