

Fall Retreat Priority Registrations

We recognize the need to plan fall calendars in advance. In order to help you guarantee a weekend, you are able to make a reservation in the spring without committing to payment and final numbers until early September. Returning groups can request spots for a weekend starting May 8 at 9am. Please contact Alex at registration@troutcamps.org to see current availability for our Fall Youth Retreat weekends.

If you are new to Fall Retreats at Trout, you are able to make a reservation starting May 22 at 9am. Please contact [Alex](#) to see current availability for our Fall Youth Retreat weekends.

We ask churches to make a reservation for a reasonable number of spots for their group. Typically this means at most 10% more than previous registration numbers unless your church has reason to believe you'll have a larger increase (ie. large incoming grade, merging with another church, etc.) One week prior to the priority registration window, you will be emailed a unique registration link to register your group in that priority window. That link will not be active during the priority access window – Sept. 15 at 9:00 am – Sept. 25 9:00 am.

IMPORTANT: All groups need to secure their registration with payment between Sept 15 9:00 AM and September 25 by 9:00 AM. **Any reserved spaces that are not confirmed and paid for during the priority registration window will be released to general registration.** Confirmed spaces paid in full are subject to our cancellation policy, which is detailed in the leader toolkit.
